About Us

At The Consulting Mind, we are dedicated business consultants with a core focus on helping entrepreneurs and companies build, grow, and scale sustainable businesses. With a results-driven approach, we provide strategic guidance tailored to each client's unique goals and challenges.

Our team specializes in business planning, process development, branding, marketing strategy, and growth execution.

We believe in turning vision into action — through practical strategies, measurable results, and long-term partnerships. With deep industry knowledge and a client-first mindset, we are not just consultants — we are growth partners.

Professional Company

The Consulting Mind is a professional business consulting firm committed to empowering startups, SMEs, and established enterprises with tailored strategies and actionable insights. With a client-focused approach and deep industry experience, we specialize in delivering high-impact solutions across business development, operational optimization, brand positioning, and market growth.

From business planning to execution, we provide end-to-end support designed to build sustainable success.

At the heart of our consultancy is a commitment to professionalism, transparency, and excellence. We don't just advise — we partner, strategize, and help you scale with confidence.

WHO AM I ?

I'm Abhishek Sharma, a Business Consultant with over 15 years of experience working in and with SMEs & MSMEs across India. I have helped numerous businesses grow by building strong internal systems, high-performing teams, and sales structures that deliver results.

For the past 5 years, I've been offering 1-to-1 customized business consulting services, and for the last 1.5 years, I've been running my own consulting firm – “The Consulting Mind”, dedicated to helping business owners scale sustainably. I work as your second line in business – helping reduce owner-dependency and enabling process-driven, profitable growth.
